FROM

THE SECRETARY TO THE HON'BLE THE RESIDENT IN MYSORE.

To

The Secretary to the Government of Madras,
Education & Public Health Department,
Madras.

Dated Bangalore, the 22nd April *1941*.

Exchange of information regarding the outbreak or prevalence of infectious diseases.

SIR,

I am directed to say that the Sandur Darbar have represented that recently their Chief Medical & Health Officer was unable to obtain information from the District Health Officer, Bellary, regarding the prevalence of plague in the Bellary District.

2. The Darbar suggest that it would help the prevention of the spread of infectious diseases if the State and the Bellary District Medical and Health Officers were to exchange information about the outbreak or prevalence of such diseases in the areas with which those officers are concerned. They are accordingly prepared to instruct their Chief Medical and Health Officer to furnish the necessary information direct to the District Health Officer, Bellary, and they would be grateful if the Government of Madras would similarly instruct the District Health Officer, Bellary, to furnish direct to the Chief Medical and Health Officer, Sandur, information about the outbreak or prevalence of infectious diseases in the Bellary District.

3. The Hon'ble the Resident would be grateful if the Government of Madras would if there is no objection comply

with

with the request of the Sandur Darbar.

I have the honour to be,
Sir,
Your most obedient servant,

for ~~SECRETARY~~ TO THE RESIDENT.
